

## Workbook for the Manual for Pharmacy Technicians

This companion workbook contains additional exercises & assessment activities for every chapter of the Manual for Pharmacy Technicians, 4th Edition. It incorporates a wide range of questions & activities, such as: multiple choice, short answer/fill in the blank, matching terms, crossword, true or false, cryptograms, puzzles, and research questions. This resource includes more than 700 exercises and can be used by individual students & practitioners for self-assessment in conjunction with the Manual, or used in class by instructors for exercises and activities.
