

The role of the learning disability worker (Supporting the Learning Disability Worker LM Series)

If you are working within the learning disability sector and studying for the QCF Diploma in Health and Social Care, you will find this book an invaluable resource in helping you to achieve the units on the role of the learning disability worker. You will find the book easy to navigate, with each chapter covering one of the learning outcomes within the unit. Each chapter begins with an example taken from real peoples stories and lots of activities, photographs and other illustrations are included throughout the book so you can really get to grips with the subject.
